Section 1. INTRODUCTION

1. Madhya Pradesh Agency for Promotion of Information Technology

Madhya Pradesh Agency for Promotion of Information Technology (here-in-after referred to as MAP_IT) is a government society which has been established to propel the growth of Information Technology (IT) and e-governance in Madhya Pradesh and to provide institutional setup for implementation National e-governance Plan. Established in 1999, MAP_IT provides IT support to the government departments and facilitate Human Resource Development activities in the field of IT.

MAP_IT also co-ordinate with investors, industries, trade organizations and financial institutions in public and private sector so as to promote growth in the IT sector.

Office of the MAP_IT is situated at the IInd Floor, State IT Center, 47-A, Arera Hills, Bhopal.

2. Background

MAP_IT is promoting various IT/e-governance projects across the state of Madhya Pradesh. Implementation of MPSSDI (Madhya Pradesh State Spatial Data Infrastructure) is one of the major goals of the State’s IT Center. Along with provisioning of GIS data there is a continuous need for development of GIS based Decision Support System (DSS) for various departments across the State. There are situations wherein Desktop based DSS are more reliable, productive as well as easy to implement. With the intent to fulfill the need of such DSS at various departments across the state, MAP_IT intends to empanel agencies for Design, Development/Customization in Desktop GIS Software.

3. Scope of Work

The objective of this EOI is to identify and empanel agencies having experience in Design, Development/Customization in Desktop GIS Software.

The scope of work for such agencies may comprise of any or all of the items but not limited to the list of items as mentioned in the subsections below:

3.1 Custom software Development

Empanelled Agencies should do the development of various user friendly menu driven options and tools in the desired Desktop GIS software. Besides, as per the need Empanelled Agencies should do the necessary development to enhance or customize the existing tools and functionalities available in the respective Desktop GIS software.
3.1.1 Custom Query

In the Desktop GIS software, wherever required, Empaneled Agencies should build/develop/implement various custom query options such as:

- Custom Search/Find Options
- Custom Query wizards
- Advanced Query Builder
  - Attribute query builder
  - Interactive Search/Query tools
- Geo-Spatial analytical queries such overlay analysis, proximity - buffer tools etc.
- Geo-Processing Tools/ Models based on algorithm

3.1.2 Add-in/Plug-in

In the Desktop GIS software, wherever required, Empaneled Agencies should provide new tools & menu driven options in the form of plug-in/add in - tools/toolbars/dialog box windows, menu/sub menu etc.

3.1.3 Custom/Configurable tools

In the Desktop GIS software, wherever required, Empaneled Agencies should develop the custom software tools that are easily configurable for example user should build own queries and set parameters for the same.

In the Desktop GIS software, wherever required, Empaneled Agencies should develop the custom software tools using python scripts.

3.1.4 Database Connections, MIS Integration and Stored Procedures

In the Desktop GIS software, wherever required, Empaneled Agencies should either customize existing database connection wizard or build new provisions for making a connection to different types of database (spatial as well as non-spatial database).

In the Desktop GIS software, wherever required, Empaneled Agencies should provide provisions for integration/joining of MIS Data with Geo-spatial Data.
In the Desktop GIS software, wherever required, Empaneled Agencies should write database stored procedures and invoke the same on the respective database for transaction of data.

3.1.5 **Map Service Connections**

In the Desktop GIS software, wherever required, Empaneled Agencies should either customize existing Map Service connection wizard or build new provisions for making a connection to different types of Map Services.

3.1.6 **Offline/Online Capabilities**

In the Desktop GIS software, wherever required, Empaneled Agencies should implement the provision to synch with the hosted database Server for data transaction. Also, Empaneled Agencies should customize the Desktop GIS Software so as to allow user to work in offline mode and synch up with the hosted database server as and when needed.

3.1.7 **Custom Reports Templates**

In the Desktop GIS software, wherever required, Empaneled Agencies should provide Report Wizard with Predefined Reports Templates with user input parameters. The reports can be Graphical Reports as well as Tabular Reports or a combination of Graphical as well as Tabular formats.

3.1.8 **Custom Print Templates**

Empaneled Agencies should provide Predefined Print Templates. As per the need the Print Templates should allow user to print Map, Query Results with or without map etc. Also, it should allow user to produce Print in different formats such as PDF, CSV, HTML etc.

3.2 **Technology Platforms**

It is desired that the custom software development needs to be carried out on various Desktop GIS software technology platforms available that shall include various open source GIS software. In some of the cases as per the need it may be on proprietary GIS Software platforms as well. MAP_IT would specify the technology platforms/software for customization.

If the responses contain any extraneous conditions put in by the agencies, such responses may be disqualified and may not be considered for the empanelment / selection process.

16. DISQUALIFICATION

The proposal submitted by the Agency is liable to be disqualified if:

- Not submitted in accordance with this document.
- Proposal received in incomplete form or not accompanied by EMD amount.
- Proposal received after due date and time.
- Proposal not accompanied by all requisite documents.
- Awardee of the contract qualifies the letter of acceptance of the contract with his conditions.

MAP_IT
• Agency fails to enter into a contract within 15 days of the date of issuing the notice for empanelment or within such extended period, as may be specified by MAP_IT.

17. **Modification, Substitution & Withdrawal of Proposal**

The Agency may modify, substitute or withdraw its proposal after its submission, provided that written notice of the modification or withdrawal is received by MAP_IT prior to the deadline prescribed for submission of proposals.

18. **Process of Empanelment**

1. The Eligibility Criteria will be evaluated as per the format and process mentioned in the EOI.
2. The Technical Proposal would be evaluated as per the format and process mentioned in the EOI.
3. Only those Agencies who qualify as per the Eligibility criteria and technical evaluation criteria will qualify for the empanelment.
4. Out of the qualified agencies maximum up to top 10 agencies as per the technical evaluation marks would empaneled with MAP_IT.
5. MAP_IT shall get into an agreement with the successfully Empaneled agencies which shall be valid for the period of 2 years.
6. MAP_IT may extend the period of empanelment and the number of agencies based on the need.

19. **Award of Work Order**

a) As per the requirement MAP_IT shall seek financial proposals on a case to case basis from the empaneled agencies mentioning the terms and conditions.

b) MAP_IT shall award the Work Order to the agency who would be quoting the least cost.

c) Agency would be required to deposit a total amount equivalent to 10% Work Order value as ‘Performance Security’.

d) ‘Performance Security’ would be required only if it is more than the ‘Security Deposit’ amount already with MAPIT. In such cases only the differential amount needs to be deposited, that would be refunded after successful execution of that Work Order.

e) Payment would be made as per the Payment Terms specified by MAP_IT in the Work Order.

20. **Earnest Money Deposit (EMD)/ Security Deposit**

The Agency shall furnish, as part of its Proposal, a refundable **EMD of INR 50,000/- (Rupees Fifty Thousand only)** through Demand Draft. The demand draft should be drawn on a
nationalized / scheduled bank valid for minimum 80 days and in favor of the “MAP_IT Bhopal” payable at Bhopal.

The proposal will be disqualified if the EMD is not submitted along with the proposal. EMD of unsuccessful Agencies will be released as promptly as possible.

After signing the Contract with the empaneled Agencies’ the EMD amount will be retained as a Security Deposit. It will be returned at the end of the contract.

The EMD may be forfeited in following cases:

1. If an Agency withdraws his Proposal during the period of Proposal validity or its extended period, if any; or

2. In the case of a successful Agency, if it fails within the specified time limit to sign the Agreement

21. Termination by Default

MAP_IT may, without prejudice to any other remedy for breach of contract, by written 30 days notice of default sent to the Successful Agency, terminate the Contract in whole or part.

If the Successful Agency fails to deliver any or all of the systems within the period(s) specified in the Contract, or within any extension thereof granted by the Purchaser pursuant to conditions of contract clause or if the Successful Agency fails to perform any other obligation(s) under the Contract.

In the event that MAP_IT terminates the Contract in whole or in part, pursuant to the conditions of contract clause, it may procure, upon such terms and in such manner, as it deems appropriate, systems or services similar to those undelivered, and the Successful Agency shall be liable to pay MAP_IT for any excess costs for such similar systems or services. However, the Successful Agency shall continue the performance of the Contract to the extent not terminated.

22. Force Majeure

Notwithstanding the provisions of conditions of contract the Successful Agency shall not be liable for forfeiture of its security deposit, liquidated damages or termination for default, if and to the extent that, its' delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

MAP_IT
For purpose of this Clause, Force Majeure means an event beyond the control of the Successful Agency and not involving the Successful Agency’s fault or negligence and not foreseeable. Such events may include, but are not limited to, acts of Government either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

If a Force Majeure situation arises the Successful Agency shall promptly notify MAP_IT in writing of such conditions and the cause thereof. Unless otherwise directed by MAP_IT in writing, the Successful Agency shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

23. **TERMINATION FOR INSOLVENCY**

MAP_IT may at any time terminate the Contract by giving written notice to the Successful Agency, if the successful Agency becomes bankrupt or otherwise insolvent. In this event termination will be without compensation to the Successful Agency, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to MAP_IT.

24. **TERMINATION FOR CONVENIENCE**

MAP_IT, by written notice of 15 days sent to the Successful Agency may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for MAP_IT’s convenience, the extent to which performance of the Successful Agency under the Contract is terminated, and the date upon which such termination becomes effective. However any undisputed payment to the invoices of the task accomplished by successful Agency would be paid by MAP_IT.

25. **DISPUTES AND ARBITRATION**

If any dispute of any kind whatsoever shall arise between MAP_IT and the Successful Agency in connection with or arising out of the Contract, including without prejudice to the generality of the foregoing, any question regarding its existence, validity, or termination, the parties shall seek to resolve any such dispute or difference by mutual consultation. If the parties fail to resolve such a dispute or difference by mutual consultation, the dispute can be resolved as per the Arbitration & Conciliation Act 1996 or as per the notification thereof.
